 **Scenic Byway- I-77**

Location: West Virginia Border to North Carolina Border

Description: Venture inside the Jefferson National Forest for a chance to listen to the soft breezes rustling through the leaves as you step into this abundant wildlife habitat. Practice stillness and wait for one of the local deer or squirrel to pass. Located along lower elevations of the Appalachian Mountain range, the hilly drive provides a quiet introduction to the Virginia countryside, which leads to the Blue Ridge Parkway at Fancy Gap.
